**PWS 250008 (#1)  
PRECAUTIONARY BOIL WATER UPDATE**

The precautionary boil water alert for the WELL section of our drinking water system is being modified, and many areas are **BEING RELEASED**.

The following areas of the WELL section of our drinking water system **remain under the precautionary boil water alert:**

- Subdivision #2 along Wiggins Road
- Maddox Road
- Plummer Circle
- Del Rey
- [2300-2699] Raymond Road
- [3000-3399] Forest Hill Road
- Forest Park subdivision

At this time, all customers who receive their water from the SURFACE water system are still under the precautionary boil water alert. For more information, please call 601.960.2723 during business hours or 601.960.1777 / 601.960.1875 after 4 PM.
