(one-time fee)

In our 2nd year of planning, we're keeping those things that worked and improving on those that didn't.

This year's festival will run for two days and in addition to vendors and the car show, we're working with MS Delta Shows to provide carnival rides. We'll have a local talent competition to showcase area musicians, feature dance groups and display a student art exhibition.

We've increased our marketing and media budget and plan to capture the audience with the following stellar entertainment:

Friday, July 29 will feature blues musician Jarekus Singleton as the evening's main attraction.

Saturday, July 30 will feature American Idol Season 11 top five finisher Skylar Laine as the evening's main attraction.

Don't give up on us yet! Your opportunity to advertise is just a step away.
